

ADAM HILLS

Comedian/Writer/Broadcaster/Presenter

Adam Hills is one of Australia's best known comedians, mainly as the five times Gold Logie nominated host of his two hit ABC TV series – the music quiz show *Spicks and Specks* and his unique take on the late night talk show, *Adam Hills Tonight*.

Spicks and Specks was ABC TV's highest rating program for seven years and the anchor for its highly successful Wednesday night comedy line up. In 2011, *Spicks and Specks* finished up on a high note after 7 years and 277 episodes. In 2012 Adam, Alan and Myf embarked on a huge national farewell tour of *Spicks and Specktacular*, performing to more than 80,000 fans around the country.

Adam Hills Tonight was a show that mixed celebrity guests including Whoopi Goldberg, KD Lang, Barry Humphries and John Cleese, with audience engagement, elevating everyday people to celebrity status.

Already a gold-plated star in Australia, Adam Hills has now taken the UK by storm with his own talk show on Channel Four - *The Last Leg*. Originally a one-off series for the 2012 London Paralympics, the poms loved him so much it has been on air ever since.

When Adam isn't dominating the global TV landscape, he is usually somewhere in the world with a mic in hand doing his day job - globetrotting stand-up comedian. Adam has conquered Edinburgh and featured in more Montreal festivals than any other Australian. In 2015 his global tour *Clown Heart* debuted with a sell out season at the Melbourne International Comedy Festival and continue to pack houses at the Sydney Opera House, Montreal Just For Laughs Festival, Edinburgh Fringe Festival. The tour ended in London at the Leicester Square Theatre in 2017, filmed for DVD and due for release with Universal in November.

Amongst this he's won a prestigious Helpmann Award, A British Comedy Award, been nominated for a BAFTA for Best Entertainment Performance, released three best-selling stand up DVDs, had his own one hour stand up special on ABC TV and UK's Channel 4 and performed for the Queen.

"Hills delivers stand up so effortlessly brilliant you wonder why some comedians even get out of bed" *The Guardian, London*

"If you cannot enjoy Adam Hills you cannot have a pulse. Four Stars"
The Scotsman

"Hills's wit is incisively dry and sharp and his observations are bitinglly precise" *Sunday Herald Sun*

"[his] interaction with the audience proved so fruitful that they were reluctant to release him back on to the stage"
