

Tom Ballard

Comedian / Broadcaster / Actor / Writer

Tom Ballard is the fearlessly funny voice of a generation.

He's one of Australia's hottest stand-up comedians (not physically). Since becoming the youngest ever winner of the **Melbourne International Comedy Festival's** Best Newcomer Award in 2009, Tom's twice been nominated for Most Outstanding Show at MICF, as well as scoring nominations for Best Newcomer and Best Show at the **Edinburgh Fringe Comedy Awards**. He took out the 2016 Helpmann Award for Best Comedy Performer and he's been a regular hit at the invite-only **Just For Laughs Festival** in Montreal, where he's performed alongside the likes of Wanda Sykes and Jimmy Carr.

In 2017, Tom filmed his show **The World Keeps Happening** as a special for the Australian streaming service Stan. In 2022 he released another special, **Enough** – recorded at the stunning Chapel Off Chapel in Melbourne – on Paramount+, and was commissioned by BBC Radio 4 to record **Solastalgia** – a half-hour stand-up special about the climate crisis.

Tom is also accomplished broadcaster who loves to interrogate and satirise politics and culture. For four years he co-hosted the national triple j breakfast show with his buddy Alex Dyson (and won an ARIA along the way), and he's been seen hosting **Reality Check** – a panel show about the dark secrets of reality television – and his own (very naughty) late-night show **Tonightly with Tom Ballard**.

Tom created the political interview podcast **Like I'm A Six-Year-Old**, which saw him laugh and argue with hundreds of guests from across the political spectrum; he co-hosts the green/Left **Serious Danger** podcast with his comrade Emerald Moon; and on multiple occasions he's guest-hosted the ABC's premiere political discussion show, **Q&A**. In 2022, he released his debut book **I, Millennial: One Snowflake's Screed Against Boomers, Billionaires & Everything Else** – an insightful and sassy summary of exactly how his generation has been screwed by the status quo.

2023 has seen Tom tour his new hour **IT IS I** across Australia to critical acclaim and make his major acting debut as the lovable/hopeless Sven in the Amazon original series **Deadloch** – a comedy-feminist-noir-murder-mystery from the minds of Kates McLennan & Kate McCartney.

Tom Ballard delivers big laughs about big ideas. His work is smart, scathing, bold, occasionally silly, and extremely cheeky – but always comes with a lot of heart.

"one of the most fearless and hilarious voices in Australian comedy" Wil Anderson

"[Ballard's] material, most importantly, absolutely kills...It's tightly paced, it's perfectly delivered and it's funny as hell... ★★★★★" Time Out Sydney

"consistently, acutely hilarious... ★★★★★1/2" Herald Sun

"A very strong hour of acerbic comedy with a socialist bent." ★★★★★ *The Age*, 2023

"A relentless whirl of opinion, silliness and increasingly bad-taste jokes against those who most deserve it." ★★★★★ 1/2 *Chortle*, 2023
