Colin Lane

Comedian / Performer / Actor / MC / Professional Show Off

Colin Lane is a legend of Australian comedy. A professional show-off for more than 30 years Colin continues to entertain audiences around the world with his charming, hilarious and thought-provoking comedic performances – on stage and on screen.

Colin first discovered the magic and mischief to be had in making audiences laugh through theatre sports as an undergrad and went on to hone his comedic storytelling and acting as part of a trio called *Found Objects* and on ABC TV's *The Big Gig*. Since then, Colin has performed in theatres, cabarets and festivals across numerous countries, sometimes with comedic partners in crime like longtime collaborator Frank Woodley or David Collins from The Umbilical Brothers, sometimes in his own solo-shows, and most recently with acclaimed tenor David Hobson.

As one half of the the highly lauded and beloved comedy duo **Lano & Woodley** Colin Lane has toured hundreds of sold-out live shows domestically and internationally, co-created and starred in TV shows; *The Adventures of Lano & Woodley*, *Lano & Woodley: The Island*, *Lano & Woodley: Goodbye*; released an ARIA-award winning album *Lano & Woodley Sing Songs* and a novel, *Housemeeting*. They've also taken home some the world's most prestigious comedy Awards from the *Moosehead Award* and the *Helpmann Award* (Melbourne International Comedy Festival) to the *Perrier Comedy Award* (Edinburgh Fringe).

Colin Lane is currently starring in a hilarious musical theatre cabaret opera IN-TAILS he has co-written with Australian tenor legend David Hobson. For full ticket and touring information visit
