

Judith Lucy

Comedian/Writer/Actor

Judith Lucy is a best-selling, award winning writer, actor and stand-up comedian. She has sold out huge venues across the country, and played in theatres in big cities and small towns across the regions. Judith is rivetingly honest and utterly, achingly, funny.

In 2023 Judith played the role of Winnie in the Melbourne Theatre Companies Production of *Happy Days*, by Samuel Beckett. She can also be seen in ABC TV's *Crazy Fun Park*, available on ABC iview.

Judith's impactful podcast *Overwhelmed and Living* was released at the end of 2022, it directly follows on from the previous series *Overwhelmed and Dying*. In both series Judith reflects on some big questions like 'Why are we here?' and 'Are we just completely screwed?'

Judith has performed extensively as part of a comedy duo with Denise Scott. The pair teamed up in 2017 and created the critically acclaimed, smash hit stage show *Disappointments*. Together they won the Melbourne Comedy Festival's People's Choice Award, performed a run at Soho Theatre in London's West End and sold out shows all over Australia.

Judith is a regular on TV, appearing on ABC TV's smash hit show *The Weekly with Charlie Pickering*, as a panelist on *Spicks & Specks*, and as a guest host on Network 10's *The Project*. Her critically acclaimed stand-up show *Judith Lucy Vs Men* is available on Amazon Prime Video.

She is also the best-selling author of three devastatingly honest, hilarious books and has created two ABC series: *Judith Lucy's Spiritual Journey* and *Judith Lucy Is All Woman*, were both nominated for AACTA awards. Her third book, *Turns Out I'm Fine: How Not to Fall Apart* was released in 2021 and is her most candid and insightful book yet, it will have your sides split, eyes wet and heart-strings pulled.

Basically, Judith is really funny, super busy and anyone who encounters her agrees, so they keep coming back for more.

"Great comedians have time for a sip of water after delivering a ripper punchline. There were times when Lucy could have gone to the bar for a glass of red and we'd still be laughing when she got back."

The Age, Melbourne

**"It's not laugh a minute, it is bucket loads of laughs per minute....
She is fast, she's clever and most of all Lucy is very, very funny"**

Sunday Telegraph, Sydney

"Lucy's delivery is martini dry, her perspective ironic and her honesty uncompromising."

The Age, Melbourne

"The best stand up, sit down/lounge around comic I've seen"
