SAM SIMMONS

Comedian / Writer / Broadcaster / Actor

Sam Simmons is one of the most daring and unconventional comics in Australia, completely original and vastly absurd, he has one foot firmly planted into the soils of reality, and the other rooted deep in a determination to redefine silliness.

Sam's career has been forged on stage with high energy and relentlessly inventive stage shows that stretch definitions beyond recognition. Sam was nominated twice for the Edinburgh Comedy Award before he won it in 2015 for his show, *Spaghetti For Breakfast*, winning in the same year he won the Melbourne Comedy Festival Award (after two nominations).

Sam regularly appears on radio and television all over the world including appearing on the UK's BBC's *Live At The Apollo* & Channel 4's *8 out of 10 Cats Does Countdown*, numerous Melbourne International Comedy Festival Gala's, Network TEN's *Hughesy We Have A Problem*, and filming a comedy special '*Stop Being Silly*' for Australian streaming service Stan.

In 2012 Sam assembled a wonderful cast of Australia's pre-eminent absurdist's for *Problems*, a four-part journey through the cream brick Neverland that is the Australian suburbs. *Problems* aired in Australia on ABC1, throughout the UK on UKTV's Dave network. He returned to the ABC in 2018 starring as Lukas in Series 1 and 2 of the hit comedy series *Squinters*. In 2021 Sam showed off his acting chops in the original ABC drama *Wakefield*.

Sam returned to the stage in 2019 with a brand-new show, *26 Things You're Doing Wrong with Sam Simmons* to critical acclaim, a batshit crazy karaoke nightmare that sold out anywhere it dared to go. 2021 saw a triumphant run at the Sydney Opera House with *SAM I AM*, followed by a season at Malthouse Theatre and Adelaide Fringe with his show *Be A Verb* in 2022

Fans also saw Sam take second place in Amazon's 2020 hit show *LOL: Last One Laughing Australia* in which Australia's top comedians attempt to make each other laugh – whilst simultaneously ensuring they don't crack them themselves up.

Now hovering between Australia, London and Los Angeles, Sam is a true Australian original.

"The one thing I never realised about Simmons is that he is a phenomenally good stand-up." - ★★★★★ The Scotsman, 2017

"★★★★★" The Times (UK) 2015

"a breathlessly inventive psycho-comedy ★★★★★" Independent, UK

"★★★★★ Sam Simmons' show is a comedy masterpiece"

“★★★★★ Welcome to the most absurdly crazy world orbiting the Fringe, featuring some of the most original comic concepts and laugh out loud moments of any Edinburgh show in the past 20 years”

The Herald, UK

“★★★★★ Simmons is a wide-eyed, frantically energetic stage presence. 'Problems' made me want to leap to my feet and scream "Genius!" in an outrageous French accent”

Three Weeks, UK

“★★★★★ When held against the rules of comedy super stardom, Simmons is a lawless gent indeed. Through laughter he will seduce you into his dinky, intimate underside... If you're looking for the best of the truly transgressive fest, Erotic Cat should be on your hit list.” The Age

“★★★★★...it's a cult in the making”

Scotland On Sunday

“Here is one of those rare surreal comedians who doesn't tell jokes and rely on observational humour. He's just out there, in Sam Simmons land, a place so weird and wonderful he's just bursting (in a nerdy bespectacled kind of way) to share it with the rest of us... check your sanity at the door and just laugh yourself silly.”
