

BRETT BLAKE

COMEDIAN

Brett Blake - The man, the mullet, the legend. A whip-smart, high-spirited stand up who has performed widely across Australia.

His unpretentious look belies a vulnerability and willingness to explore complex issues on stage. His material runs the gamut of living with dyslexia to truck licenses, and he is the only comic who physically *built* some of venues he has performed in.

Brett's audiences have been growing as much as his motorbike collection – exponentially and terrifyingly quickly. It is par the course for him to sell out entire seasons at comedy festivals and venues around the country.

Brett has starred as a guest on ABC TV's *Question Everything*, TVNZ's *7 Days* and the SBS / TVNZ2 show *Patriot Brains*. He has regularly appeared on the *Melbourne International Comedy Festival Gala* and stealing scenes in the Jamie Doran thriller on Stan *The Tourist*.

You can hear him regularly on his podcasts *Work Hates* with fellow comedian Bron Lewis, plus co-hosting the bonkers double-dare fiesta that is *Flat Stick* with Nick Capper. He is also a regular visitor to comedy podcast *The Little Dum Dum Club* and a guest on Australian radio stations such as Triple M.

Brett's comedy special *Bogan Genius* was released in 2022 on Paramount +. You can catch his latest special *Go Hard or Go Home* on his YouTube channel, which has been racking up ten's of thousands of views from around the world.

Still, the mullet runs deep.

“Punchy and relevant insight... peppered with clever jabs at Australian culture.” *The Age*
