

BRETT BLAKE

COMEDIAN

Brett Blake - The man, the mullet, the legend. A whip-smart, high-spirited stand up who has performed widely across Australia.

His unpretentious look belies a vulnerability and willingness to explore complex issues on stage. His material runs the gamut of living with dyslexia to truck licenses, and he is the only comic who physically *built* some of venues he has performed in.

Brett's audiences have been growing as much as his second-hand motorbike collection – exponentially. It is par the course for him to sell out entire seasons at comedy festivals and venues around the country.

Brett has starred on *Common Sense* for Network 10, is a regular guest on countless Australian radio networks, has a hand in running Melbourne's *Comedy at Coopers Inn*, is a regular visitor to *The Little Dum Dum Club*. He also co-hosts the bonkers double-dare fiesta that is *Flat Stick* with Nick Capper.

Most recently, you can see him in his undies in new Bonds campaign with Dustin Martin or stealing scenes in the new Jamie Dornan thriller for Stan/Two Brothers, *The Tourist*.

Brett's one hour comedy special *Bogan Genius* was released last year and is available now on Paramount +.

Still, the mullet runs deep.

“Punchy and relevant insight... peppered with clever jabs at Australian culture.” The Age
