

# BRETT BLAKE

## COMEDIAN

Self-identifying bogan genius **Brett Blake** is a whip-smart, high-spirited stand up who has performed widely across Australia and the UK.

A regular sell-out at the Melbourne International Comedy and Edinburgh Fringe Festivals, Brett also starred on *Common Sense* for Network 10, has a hand in Melbourne's Comedy at Coopers Inn, is a regular visitor to *The Little Dum Dum Club* and shares the reins on *Worst First Dates* podcast with Kelly Fastuca and currently co-hosts the bonkers double-dare fiesta that is *Flat Stick* with Nick Capper.

His unpretentious look belies vulnerability and willingness to explore complex issues on stage. His material runs the gamut of living with dyslexia to truck licenses and he is the only comic who physically *built* the venue he performed in at the Melbourne Comedy Festival.

Still mullets run deep.

*"Punchy and relevant insight... peppered with clever jabs at Australian culture." The Age*
