

BRETT BLAKE

COMEDIAN

Self-identifying bogan genius **Brett Blake** is a whip-smart, high-spirited stand up who has performed widely across Australia and the UK.

A regular sell-out at the Melbourne International Comedy and Edinburgh Fringe Festivals, Brett also starred on *Common Sense* for Network 10, has a hand in Melbourne's Comedy at Coopers Inn, is a regular visitor to *The Little Dum Dum Club*, shared the reins on *Worst First Dates* podcast with Kelly Fastuca and currently co-hosts the bonkers double-dare fiesta that is *Flat Stick* with Nick Capper.

His unpretentious look belies vulnerability and willingness to explore complex issues on stage. His material runs the gamut of living with dyslexia to truck licenses and he is the only comic who physically *built* the venue he performed in at the Melbourne Comedy Festival.

You can catch Brett's new hour [GO HARD OR GO HOME](#) at Coopers Inn this Melbourne Comedy Festival – or see him in his undies in a new Bonds campaign with Dustin Martin. Actually – why not do both?

Still mullets run deep.

“Punchy and relevant insight... peppered with clever jabs at Australian culture.” The Age
