

Ben Kochan

Comedian/Podcaster/Writer

Ben Kochan is a comedian who possesses a keen observational eye while maintaining a somewhat unhealthy commitment to being as silly as possible.

Combine this with sharp writing and a phenomenal moustache, it's a good time.

Ben was selected as part of the prestigious *Comedy Zone* at the 2019 Melbourne Comedy Festival, performed stand-up at *Triple J's Good Az Friday*, *Splendour in the Grass*, and supported Tom Gleeson and Wil Anderson. It's quite the hot streak, and one that's seen him become a favourite at comedy clubs around Australia.

Ben performed and sold out his first solo show "*Nice Boy Seeks Kind Audience*" at the 2019 Sydney Comedy Festival, and followed it up with his brand new 2020 show "*Ben Kochan Throws A Stool At The Audience*"

Ben has been featured on Comedy Central's show *Little Nippers* and on ABC Comedy's *Be Your Own Boss* alongside Becky Lucas and Cameron James.

You can also listen to Ben doing a fantastic podcast with fellow comedian Suren Jayemanne called "*The Nightshift with Benny & Surennny*".
