

# LLOYD LANGFORD

## COMEDIAN / WRITER / ACTOR / VOICE ARTIST

**Lloyd Langford** is a stand-up comedian, writer and actor from Port Talbot in Wales, who has cemented himself as an audience favourite in Australia. And it's not just comedy that he's into. Llyod also has a wide and varied list of interests including collecting obscure music on compact disk, constructing jazz caves and crazy golf.

Since first coming to our shores in 2015 as part of the Melbourne Comedy Festival, Lloyd has toured extensively, regularly performing at all mainstay Australian comedy festivals and continuously selling out venues around the country. On screen, Llyod is a regular on hit TV shows including *Have You Been Paying Attention?*, *Thank God You're Here*, *The Hundred with Andy Lee*, *Spicks and Specks*, *Celebrity Gogglebox* and *Would I Lie To You? Australia*.

He's also a frequent visitor to New Zealand, performing stand up at the New Zealand International Comedy Festival, Christchurch Busker's Festival, and appearing on several TV programs such as *7 Days*, *Have You Been Paying Attention NZ*, and *Best Bits*.

In 2021, Lloyd embarked on a national tour with his partner and fellow comedian, Anne Edmonds. Their show *Business With Pleasure* sold out shows in theatres around the country, including iconic venues, the Sydney Opera House and Melbourne's Comedy Theatre and Malthouse Outdoor Stage. *Business With Pleasure* was later recorded as a stand up special for Paramount+. Lloyd's 2024 special *Current Mood* was nominated for an AACTA for Best Stand Up Special, an award he lost to Anne.

Back in his native UK, Lloyd is an accomplished and in demand artist who has been performing and writing comedy for over two decades. He has performed at the Edinburgh Fringe since 2002, been invited to Just for Laughs Montreal, and performed stand-up nearly everywhere, from Abu Dhabi to Zurich.

His UK television appearances include *QI*, *Never Mind The Buzzcocks*, *Ask Rhod Gilbert*, *Russell Howard's Good News*, and *Celebrity Mastermind*. He can be regularly heard as co-host of *The Rhod Gilbert Show* on BBC Radio Wales, and on comedy programmes such as BBC Radio 4's *The Unbelievable Truth* and *The News Quiz*. In 2022, he was the co-creator and writer of *The Island*, a unique panel game show for UK TV network Dave.

Llyod is also an award-winning writer, receiving a Radio Academy award for his contributions to BBC Radio Wales series *Here Be Dragons*. He has worked on countless programs including *Live at The Apollo*, *Never Mind The Buzzcocks*, *8 Out of Cats Does Countdown* and *The Apprentice: You're Fired*.

If you would like to know more, best to ask Lloyd directly as his Wikipedia page is often vandalized with fake 'facts' that lead to awkward questions from lazy journalists.
