OLIVER COLEMAN

COMEDIAN, ACTOR, WRITER

Oliver Coleman is a supremely gifted stand up, actor and writer, who couples together all his expertise to create wildly inventive and captivating comedy.

After graduating from the Victorian College of Arts and spending time as an independent theatre actor, Oliver moved to Scotland and started performing sketch and stand-up. Who knew, it turns out that performing 'alternative' comedy to drunken Glaswegian football fans eating pizza is a terrific way to earn your chops as a performer.

Oliver returned to Australia and has made his mark with exquisitely crafted and spellbindingly performed shows. He was nominated at the Melbourne Comedy Festival for Most Outstanding Show in 2024, and Best Newcomer and the Golden Gibbo Awards in 2019.
