ALEX WARD
COMEDIAN / WRITER / PRESENTER

Alex Ward is a comedian, writer, and presenter, best known for her whip-smart punchlines and regular appearances on Network Ten's *Have You Been Paying Attention?*

A Queensland expat with charm and a dry delivery (something she believes has to do with growing up through droughts) Alex skillfully walks the line between humour and honesty, blending personal stories with sharp observations. She describes herself as 'pretty approachable' and it shows, with a knack for making audiences feel instantly at ease.

In 2025, Alex is touring her new solo show *Clip Clop Don't Stop* in which she examines "the big moments that changed me a little and the little moments that changed me *a big*."

Alex currently appears on screen as a regular guest panellist for Network Ten's *Have You Been Paying Attention*? and an occasional guest on *The Project*. She also writes for TV shows such as ABC's *The Weekly with Charlie Pickering*, Network Ten's *The Project,* ABC's *Monday's Experts,* and ABC's *Guy Montgomery's Guy Mont-Spelling Bee*.

Follow her adventures @wardyaknow, where Alex regularly shares her culinary creations on her Instagram show *Ready Steady Wardy*. You might even see her pair watermelon with gummy bears—a recipe she described as turning out 'fine.'

"Irreverent without being too dry and extremely engaging. Totally brilliant."
