

ALEX WARD

COMEDIAN / WRITER

Alex was born two weeks late and is pretty sure her first thoughts were “*Sorry I’m late, I won’t be long.*”

Alex feels like she’s grown up and finally stopped apologising when she doesn’t need to, (although she is sorry about all the times she did it before).

Alex is the funniest she’s ever been, mostly because she has nothing to apologise for. With personal, engaging and punch-line heavy comedy, Alex is truly on top of her game. As a Queenslander living in Melbourne, Alex is always cold, which makes the warmth she brings to the stage & screen all the more impressive.

A regular guest on Network Ten’s *Have You Been Paying Attention?* by night, and a writer for *The Project* by day, Alex has also appeared on ThreeNow’s *7 Days* in New Zealand, ABC Comedy’s *At Home Alone Together*, *Tonightly with Tom Ballard & Comedy Up-Late*, Audible’s *Live from MICF* stand-up series, triple j’s *Good Az Friday*, *Melt Comedy Gala* and *Splendour In The Grass*.

Alex has become a mainstay on the Australian comedy circuit as she regularly performs around the country and continues to charm audiences. This year she returned with a national tour of her show *Saving For A Jetpack*, filled with her trademark wit and masterful storytelling.
