Sez presents a sharp and original mix of musical comedy and unhinged storytelling from a Gen Z perspective.

Five foot nothing and armed with a guitar and Omnichord, Sez invites people into the trenches to explore the world around her. Through stand-up, sketches, characters, and folk-pop songs, she has struck a chord with millions on social media.

She is also building a name for herself IRL as a sought after live act, straddling the worlds of music and comedy. She has hosted the *Class Clowns National Grand Final* at the Melbourne Comedy Festival, performed at the Opera House for Just For Laughs Sydney and wowed comedy crowds around Australia.

She has also performed at Party In The Paddock, Beyond The Valley and Lost Paradise, as well as MCing *The Gift* at Meredith Music Festival.

Sez made her TV debut playing for team Gen Z on *Talkin' 'Bout Your Gen,* backed it up by appearing on *The Gala* on ABC and at 28, despite her already long list of credits, she's just getting started.

Expect deeply serious (but completely unserious) bangers and laughs.

"If you only see one dyslexic, bisexual musical comedian this festival, make it Sez." ★★★★ ***The Age, 2025***

"A stack of personal and wonderfully cringey anecdotes, and a willingness to plunder her life for laughs." ★★★★ ***The Age, 2025***

"She times her callbacks like a pro, snort-laughing along with the crowd at what she's getting away with." ★★★★ ***The Age, 2025***

"Sharp songwriting and laugh-out-loud punchlines." ***The Scoop, 2025***

"A comedy and musical gem rolled into one" ***The Scoop, 2025***
